About SPAR Group

SPAR Group, Inc. is a diversified international merchandising and marketing services company and provides a broad array of services worldwide to help companies improve their sales, operating efficiency and profits at retail locations. The Company provides merchandising and other marketing services to manufacturers, distributors and retailers worldwide, primarily in mass merchandisers, office supply, grocery and drug store chains, independent, convenience and electronics stores, as well as providing furniture and other product assembly services, in-store events, radio frequency identification ("RFID") and related technology services and marketing research. The Company has supplied these project and product services in the United States since certain of its predecessors were formed in 1979 and internationally since the Company acquired its first international subsidiary in Japan in May of 2001. Product services include product additions; placement, reordering, replenishment, labeling, evaluation and deletions, and project services include seasonal and special product promotions, product recalls and complete setups of departments and stores. The Company operates throughout the world in 10 of the most populated countries, including China and India. For more information, visit the SPAR Group's Web site at <http://www.sparinc.com/>.

Certain statements in this news release and such conference call are forward-looking, including (without limitation) expectations, estimates, belief or guidance respecting customer contract expansion, increasing revenues, profits and earnings per share through organic growth and acquisitions, attracting new business that will increase SPAR Group's revenues, continuing to maintain costs and consummating any acquisitions or other transactions. Undue reliance should not be placed on such forward-looking statements because the matters they describe are subject to known and unknown risks, uncertainties and other unpredictable factors, many of which are beyond the Company's control. The Company's actual results, performance and trends could differ materially from those indicated or implied by such statements as a result of various factors, including (without limitation) the continued strengthening of SPAR Group's selling and marketing functions, continued customer satisfaction and contract renewal, new product development, continued availability of capable dedicated personnel, continued cost management, success of the Company's international efforts, success and availability of acquisitions, and availability of financing and other risks or matters, as well as by factors applicable to most companies such as general economic, competitive and other business and civil conditions. Information regarding certain of those forward looking statements and other risk factors and cautionary statements that could affect future results, performance or trends are discussed in SPAR Group's most recent annual report on Form 10-K, quarterly reports on Form 10-Q, and other filings made with the Securities and Exchange Commission from time to time. All of the Company's forward-looking statements are expressly qualified by all such risk factors and other cautionary statements.
